■ Important Notice

NIELIT (National Institute of Electronics and Information Technology) does NOT release official old CCC question papers to the public. NIELIT has never officially published any previous year CCC exam papers.

This question paper has been compiled from memory by students who appeared in the exam, and collected from various internet sources and student communities. It is NOT an official NIELIT document.

■ Source & Accuracy

- ? Questions are recalled by exam candidates ? exact wording may differ from actual exam.
- ? Some questions may be missing, reordered, or paraphrased.
- ? Answer keys are based on community consensus ? not official NIELIT keys.
- ? We cannot guarantee 100% accuracy of questions or answers.

■ Purpose of this Document

This paper is shared purely for practice and preparation purposes. It helps students understand the exam pattern, difficulty level, and types of questions asked. It should NOT be treated as an official paper or a guaranteed prediction of future exam questions.

■ Recommended Usage

- ? Use this paper to understand CCC exam pattern and question style.
- ? Practice with free mock tests at cccwale.com for better results.
- ? Always refer to official NIELIT syllabus for exam preparation.
- ? For more free CCC PYQ papers, visit cccwale.com/ccc-previous-year-papers/

For more free CCC papers, mock tests and notes ? visit cccwale.com
